## Scholarship Programs

### Academic Scholarship

Students who graduate as salutatorian or valedictorian from a Christian school may apply for this scholarship. Students who have a minimum composite score of 25 on the ACT (does not include writing score) or 1210 on the SAT (critical reading and math) will also qualify for this scholarship. An official copy of the ACT or SAT must be sent directly to the college. In order for the student to qualify for salutatorian or valedictorian portion of this scholarship, there must be at least five students in their graduating class. If the scholarship is awarded, the student will receive one semester's tuition free. This scholarship cannot be combined with any other scholarship. This scholarship is only available to undergraduate students and only during a student's first semester of enrollment at GSBC.

### Family Scholarships

If a husband is paying as a full-time student, his wife may take one course at no charge. She would be subject to all of the college rules and demerit system. If a husband is paying as a full-time student, his wife may take additional courses at half of the regular cost.

### First GSBC Student Scholarship

The first student to attend GSBC from a particular church will receive a \$500 credit towards the first payment. If this applies to more than one student from the same church in one semester, all are eligible for this scholarship. This scholarship is only available during the student's first semester of enrollment at GSBC.

### Freedom Scholarship

The tuition is reduced 50% for students whose major is pastoral theology, pastoral assistant or missions and who have served our country in active military duty and have been honorably discharged. If applying for this scholarship, students will need to provide a copy of the DD214 that was issued to them upon discharge.

### Full-Time Christian Service Scholarship

Students who have a parent in full-time Christian service are eligible for this scholarship. A credit of \$500 will be applied to the first payment. This scholarship is only available during the student's first semester of enrollment at GSBC.

### Institution Scholarship

Scholarship discounts are available whenever five or more first time students from the same church (and/or church school) or Christian school enroll at Golden State Baptist College in the same semester. Scholarships start at \$500 (\$100 per student) and increase in individual increments of \$100 for each additional student in the group, up to a maximum of \$700 per student. The scholarship is nontransferable and must be used during registration towards the student's first semester expenses.

### Missionary Scholarship

This applies to students whose parents are presently missionaries outside of the United States. The tuition is reduced by 50% for young ladies and 25% for young men. If missionaries' children also qualify for the Academic Scholarship, they will be given the choice of which scholarship they would rather receive.

### Pastors' Children's Scholarship

Pastors' children can apply for a pastors' children's scholarship. The tuition is reduced 50% for young ladies and 25% for young men. If pastors' children also qualify for the Academic Scholarship, they will be given the choice of which scholarship they would rather receive. This scholarship is limited to the children of the Senior Pastor.
